Your business technology partner

COMPANY BROCHURE / CONNECTIVITY • COMMUNICATION • TECHNICAL SERVICES

Who we are

Established in 2020, Earthconnect is an independent ISP and ICT solutions company serving businesses, schools and medical practices. We support customers from site assessment and design through installation and ongoing technical support.

Connectivity & communication

Business fibre, LTE and wireless connectivity; VoIP, SIP trunking and Grandstream PABX; telephone system migrations and extensions.

Infrastructure & security

CCTV, access control, structured data and voice cabling, network switches, Wi-Fi, office printers and backup power solutions.

Technical services

Installation, repairs, fault finding, preventative maintenance, damage assessments and technical reports. We welcome outsourced work orders and subcontracting partnerships.

Our service approach

Assess the requirement, recommend a suitable solution, agree the scope, install and test, then document the handover and provide ongoing support.

Work with us

Contact Earthconnect to discuss a site survey, service call-out, maintenance agreement or supplier onboarding.

Connecting technology is easy. Sustaining service is what sets us apart.
